All contractors shall fully comply with Chapter 4.08 of the San Jose Municipal Code and shall not discriminate against or grant preferential treatment to any subcontractor on the basis of race, sex, color, age, religion, sexual orientation, actual or perceived gender identity, disability, ethnicity, or national origin in the performance of the City of San Jose contracts. Any contractor who so discriminates or gives preferences shall be deemed not to be a responsible bidder in accordance with City of San Jose Charter Section 1217.

In listing subcontractors in this bid, I have not discriminated or given any preference to any firm based on race, sex, color, age, religion, sexual orientation, actual or perceived gender identity, disability, ethnicity, or national origin. I understand that any such discrimination or preference is in violation of Chapter 4.08 of the Municipal Code.

[Signature] 10/23/09

SECTION II -- CONFLICT WITH APPLICABLE FEDERAL OR STATE LAW

In the event that a particular City public works contract is funded or required to be approved in whole or in part by the State or Federal government and any provision contained herein is inconsistent with any applicable state or federal statutes, rules or regulations, orders or controlling policies pertaining to such funding or approval, to the extent that any such provision is inconsistent, it shall not apply to the contract. To the extent a Federal project requires an MBE/WBE Program, the Program set forth in Resolution #67001 shall be applicable.

SECTION III -- VIOLATION OF SECTION

Be aware that any Prime Contractor who discriminates or gives preferences is in violation of Chapter 4.08 of the San Jose Municipal Code.
